The Board of Public Works met in the offices of the Governor, Annapolis, Maryland on Thursday, March 7th, 1935.

Present -

Harry W. Nice, Governor.

Wm. S. Cordy, Jr., Comptroller.

The Comptroller took up with the Board the question of a deficit of \$360.41 in the account for the Ocean City Inlet Loan of 1931, and stated that the United States Engineer's Office had advised us it will be necessary to make available the entire amount of \$500,000.00, which the State agreed to contribute toward the cost of the Ocean City Inlet Work.

It was decided that the deficit of \$360.41 should be transferred from the Emergency Reserve Fund of the Budget for the fiscal year 1935 to the account of the Ocean City Inlet Loan of 1931, and that payment of this amount should be made to the United States Engineer's Office.

There being no further business the meeting adjourned.

Secretary.
